

## Diamond Ring Earrings

*Materials needed:*

*Available at Sonoranbeads.com:*

- 6- 8mm silver plate jump ring #2674
- 2-ruby red mini-rings #2551
- 2-rose/red small diamonds #995
- 2-sterling silver French ear wires #673

*Tools needed:*

- Chain nose pliers-two pair

### *Sonoran Beads*

*Step-by-step instructions:*

1. Using both pairs of chain nose pliers open all the jump rings.
2. Pick up one 8mm jump ring and slip it over the mini-ring. Repeat with another 8mm jump ring.
3. Pick up a 10mm jump ring and slip it through the hole in the small diamond and one of the 8mm jump rings on the mini-ring.
4. With your pliers gently open the loop on a French ear wire and slip it into the second 8mm jump ring on the mini-ring. Close the loop.
