Sonoran Beads

Step-by-step instructions:

1. With your wire cutters snip off the end of the headpin that has the protective coating on it.
2. Slide a size 8 seed bead onto the headpin until it rests against the flower.
3. Make one half of a wire wrapped loop, slide on a lampwork leaf bead, and finish the wire wrapped loop.
4. Slightly open the French ear wire loop and slide on the flower component you just made. Add the other lampwork leaf and close the loop.
5. Repeat steps 1 through 4 for the other earring.

There you have it, a lovely, fast and easy pair of earrings just in time for that summer garden party.

Adding Bud Headpin components to the earrings make them even more dramatic! You'll be the Belle of the Ball!
