Sonoran Beads

Step-by-step instructions:

1. Cut three 8" pieces of SilverSilk™ 8 needle flat.
2. Hold one end of all three pieces together slightly overlapping and fasten them with a small bull clip.
3. Anchor the bull clip to your foam board with a T-pin and braid the wire. Fasten the end to the board with another T-pin.
4. Apply super glue to one end of the magnetic clasp and insert one end of the braided wire. Let the glue cure for about 15 minutes.
5. Remove the bull clip from the other end and slide on a duplex slider.
6. Repeat step 4.
