- 2 – crimp covers
- 24” beading Wire

Tools needed:

- Wire cutters
- Crimp tool
- Bead stopper

Sonoran Beads

Step-by-step instructions:

- String the Ginkgo leaf on the beading wire.
- On one side of the leaf string:
 - 3 - teardrop beads
 - 1- 4mm cube bead
 - 1 - tube bead
 - 1- 4mm cube bead
 - 5 – teardrop beads
 - 34 – 4mm cube beads

Note: You can make can adjust the necklace at this point by adding or subtracting cube beads.

- String on a crimp tube, pass the wire through the loop in the clasp, and come back through the crimp tube. Using the crimp tool crimp the crimp tube and either tuck the extra beading wire into the cube beads or trim it off. Cover with the crimp with a crimp cover.
- Repeat on the other side of the Ginkgo leaf.
