

**Materials:**

**Cobalt Duplex with Silver/Gray Leather**

- 9-10 inches Silver/Gray Capture Leather #3627
- 1 Pair Short Terminators – Silver #3657
- 1 Cobalt Blue Duplex Slider #3419-9

**Loam Duplex with Gold/Black Leather**

- Gold/Black Leather #3627
- 1 Pair Short Terminators Gold #3657
- Duplex Slider Bead – Loam #3419-8

**Tools:**

- Scissors or wire cutters
- Nylon or Coated Pliers

**Ring Instructions**

- Cut a piece of SilverSilk Leather Capture 8-9 inches long.
- Insert a terminator end cap on one end of the strand and crimp closed with the pliers.
- Take the other end and insert it into the duplex bead looping around two more times to create a ring.
- Position the end with the terminator up to the duplex bead and cinch up the leather to the size of ring that you desire. Once you have the desired size clip the extra leather off – leaving ¼ inch to attach the other terminator. Crimp the terminator onto the leather.
