Step-by-step instructions:

1. Cut the 3needle round SilverSilk™ wire in 3 equal pieces.
2. String 13 to 14 Crystalett Buttons onto each piece of wire.
3. Gather three wires and twist the ends together. Dab with a little glue on the twist and insert into the SilverSilk end cap close with nylon jawed or coated chain nose pliers. Repeat with the other side.
4. When the glue is dry attach three jump rings to the toggle bar and attach it to one of the end caps. Attach the round part of the toggle to the end cap with one jump ring.
